

# Body

My heart beats  
My mind thinks  
My lung breath  
My smile grows  
My soul lives

I don't feel home  
I don't feel sad  
I don't feel joy  
I don't feel alone

My heart is slow  
My mind is empty  
My lung is suffocating  
My smile is fainting  
My soul is leaving

I don't feel home  
I don't feel sad  
I don't feel joy  
I don't feel alone

My heart were loving  
My mind were full  
My lung were whole  
My smile were yours  
My soul were caring
