I am full of joy and every day there is a smile on my face as life is the happiest I know

I am full of joy and every day there is a smile on my face as life is the happiest I

I am full of joy and every day there is a smile on my face as life is the happiest

I am full of joy and every day there is a smile on my face as life is the

I am full of joy and every day there is a smile on my face as life is

I am full of joy and every day there is a smile on my face as life

I am full of joy and every day there is a smile on my face as

I am full of joy and every day there is a smile on my face

I am full of joy and every day there is a smile on my

I am full of joy and every day there is a smile on

I am full of joy and every day there is a smile

I am full of joy and every day there is a

I am full of joy and every day there is

I am full of joy and every day there

I am full of joy and every day

I am full of joy and every

I am full of joy and

I am full of joy

I am full of

I am full

I am

**I am human and alive so happy in the forest but feel so alone even when in a room full of people like no one knows my nature**

I am

I am full

I am full of

I am full of sadness

I am full of sadness and

I am full of sadness and every

I am full of sadness and every day

I am full of sadness and every day is

I am full of sadness and every day is tears

I am full of sadness and every day is tears in

I am full of sadness and every day is tears in my

I am full of sadness and every day is tears in my eye

I am full of sadness and every day is tears in my eye as

I am full of sadness and every day is tears in my eye as my

I am full of sadness and every day is tears in my eye as my feelings

I am full of sadness and every day is tears in my eye as my feelings mess

I am full of sadness and every day is tears in my eye as my feelings mess ups

I am full of sadness and every day is tears in my eye as my feelings mess ups and

I am full of sadness and every day is tears in my eye as my feelings mess ups and cannot

I am full of sadness and every day is tears in my eye as my feelings mess ups and cannot explain

I am full of sadness and every day is tears in my eye as my feelings mess ups and cannot explain why

Join me and leave me alone, I never know which one before you are here, keep me alive or let me die I don't care anymore.
