I  
I was  
I was born  
I was born in  
I was born in the  
I was born in the wrong  
I was born in the wrong year  
I was born in the wrong  
I was born in the  
I was born in  
I was born in the  
I was born in the wrong  
I was born in the wrong place  
I was born in the wrong  
I was born in the  
I was born in  
I was born  
I was  
I

***But I am still here***

I  
I am  
I am not

I am not at  
I am not at home  
I am not at home now  
I am not at home now or  
I am not at home now or ever  
I am not at home now or  
I am not at home now  
I am not at home  
I am not at  
I am not at home  
I am not at home or  
I am not at home or alive  
I am not at home or alive now  
I am not at home or alive  
I am not at home or  
I am not at home  
I am not at  
I am not  
I am  
I

***But I am still here***

I  
I am  
I am not  
I am not in  
I am not in peace  
I am not in  
I am not in peace  
I am not in peace or  
I am not in peace or in  
I am not in peace or in love  
I am not in peace or in  
I am not in peace or  
I am not in peace  
I am not in  
I am not  
I am  
I

***But I am still here***
