Smile

Smile When

Smile When You

Smile When You can

Smile When You can as

Smile When You can as You

Smile When You can as You Never

Smile When You can as You Never Know

Smile When You can as You Never Know When

Smile When You can as You Never Know When You

Smile When You can as You Never Know When You Meet

Smile When You can as You Never Know When You Meet Again

Life is better with joy

Joy

Joy is

Joy is What

Joy is what you

Joy is what you should

Joy is what you should aim

Joy is what you should aim fore

Joy is what you should aim fore in

Joy is what you should aim fore in dark

Joy is what you should aim fore in dark times

Joy is what you should aim fore in dark times as

Joy is what you should aim fore in dark times as good

Joy is what you should aim for in dark times as good always

Joy is what you should aim for in dark times as good always win

Life is not without pain

Pain

Pain often

Pain often comes

Pain often comes and

Pain often comes and goes

Pain often comes and goes like

Pain often comes and goes like it

Pain often comes and goes like it wants

Pain often comes and goes like it wants and

Pain often comes and goes like it wants and only

Pain often comes and goes like it wants and only you

Pain often comes and goes like it wants and only you can

Pain often comes and goes like it wants and only you can control

Pain often comes and goes like it wants and only you can control it

Life cannot be without bad and good days

You

You cannot

You cannot prevent

You cannot prevent pain

You cannot prevent pain as

You cannot prevent pain as it

You cannot prevent pain as it is

You cannot prevent pain as it is inevitable

You cannot prevent pain as it is inevitable just

You cannot prevent pain as it is inevitable just as

You cannot prevent pain as it is inevitable just as love

You cannot prevent pain as it is inevitable just as love and

You cannot prevent pain as it is inevitable just as love and life

You cannot prevent pain as it is inevitable just as love and life itself
